| <b>Type of Change:</b>                | ■ Multiple Types                                                                                                                                                                                                           | <b>Last Time Buy Date:</b>  | <u>07/31/2016</u> |
| <b>Change Description:</b>            | Update in the existing clock crystal MPN nomenclature & Part Marking, Old MPN & Part Marking are not recommended for use and please use the replacement MPNs for new ordering. There is no change in Form, Fit & Function. | <b>Last Time Ship Date:</b> | <u>07/31/2016</u> |
| <b>Reason for Change:</b>             | Change in MPN nomenclature & Part Marking for internal reference identification                                                                                                                                            |                             |                   |
| <b>Manufacturer Contact Email Id:</b> | <a href="mailto:Hubert.Bergner@flextronics.com">Hubert.Bergner@flextronics.com</a>                                                                                                                                         |                             |                   |

**Reference to Change Types:**

- Acquisition (Complete)
- Acquisition (Partial)
- Fabrication Site Change / Qualification / Country of Origin / New Subcontractor
- Obsolescence
- Cosmetic Change
- Name Change
- Nomenclature Change
  - Reversal
  - Process Change
- Design Change / Data Sheet Spec Change
  - Packaging and Media
  - Storage and Handling
    - Logistics
    - Roadmap
  - Quality Alert Notifications
    - Multiple Types
  - Environmental Announcement
- New Component or Raw Material Added
  - Other

**New Part Marking:**
