

REACH Certificate of Compliance

This is to certify that all the parts listed in Annex-1 below do not contain more than 0.1% of product weight for each of 241 substances which are announced by ECHA as “Substances of Very High Concern (SVHC)” and our parts are compliant to REACH ANNEXVII.

Note:

The products that marked (*) in Annex-1 contain Lead Oxide (CAS# 1317-36-8), now are listed as a Substance of Very High Concern (SVHC). However, we claim no exposure of this material to humans or the environment during normal usage or disposal. The sum of this material in our products imported into the E.U. is also less than one ton per year.
